

COMMITMENT TO EXCELLENCE

SOS IS NOW IN THE POWDER RIVER BASIN

OUR NEW WYOMING LOCATION WILL ALLOW US TO BETTER AND MORE EFFICIENTLY SERVE THE POWDER RIVER BASIN

We bring experienced local crews, an impressive safety record, wild well certified pushers, Watson Hopper workover rigs, and an extensive list of auxiliary equipment to the Powder River Basin. Let us show you The SOS Way.

QUALITY OILFIELD SERVICES

SOS Well Services provides multiple, quality oilfield services in the western United States, including: Workover Rigs, Swab Rigs, Roustabout and Technical Consulting. From the Green River Basin to the DJ Basin to the Powder River Basin, we have an in-depth understanding of the specific challenges in the Wyoming, Nebraska and Rocky Mountain oil and gas fields.

OPERATIONAL EXCELLENCE

With over 150 years of combined experience in the energy industry, the current senior management team of SOS Well Services sets an example of unmatched operational excellence.
